

CAMPAIGNS

TEXT MESSAGE MARKETING MADE EASY

A simple tool to make building and managing SMS marketing campaigns as effortless as possible.

Try Now

START MESSAGING IN JUST 3 STEPS

STEP 1

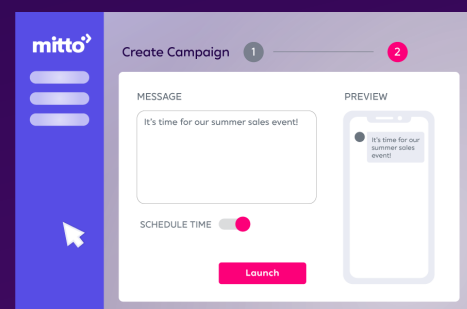

Choose your customers

Add all the customers you want to message, whether it's a distribution list of 5 or 500,000

STEP 2

Craft your message

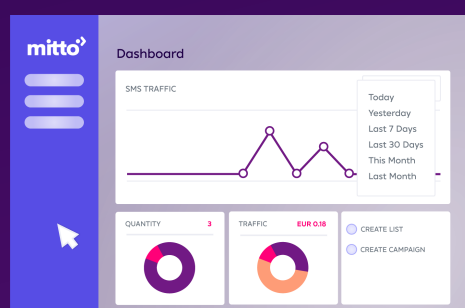

Personalize your campaign with rich, dynamic content before previewing exactly what your customers see

STEP 3

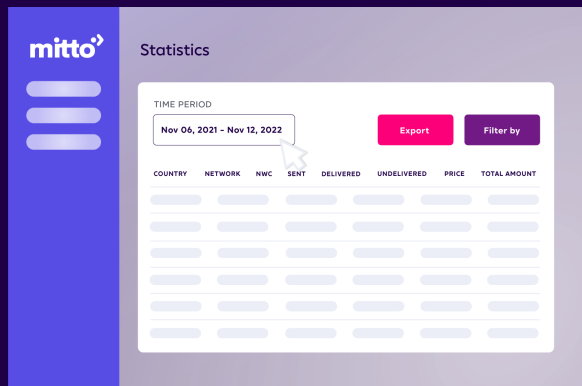

Launch your campaign

Send your message now or schedule for later, then track to measure delivery and monitor results

EVERYTHING
YOU NEED TO
KNOW IN ONE
PLACE

Our dashboard tracks every detail of your campaigns, including how many messages you send, campaign spend, and any issues with delivery.

TOOLS FOR SUCCESS

No matter what your campaign needs,
we've got you covered.

SCHEDULE MESSAGES

Utilize our simple and easy-to-navigate dashboard to send your message now, tomorrow, or next year—your pick.

SEGMENT LISTS

Ensure customized campaigns reach the customers most likely to engage with the ability to build unique distribution lists per segment.

MANAGE CONTACTS

Easily update customer contact information and keep lists loaded up and ready for each campaign.

SEE YOUR RESULTS

Track campaigns in real-time and collect all needed performance data to share reporting and identify paths to optimize.

HOW CAN WE HELP?

There are a million ways to use text messaging to engage your customers with 1:1 activations to mass impact blasts. **Let's get started!**
